DRAFT

UST

Did you know? Around 1.3 billion people worldwide experience significant disability, representing 16% of the global population. If your digital products aren't accessible, you're missing them. Non-compliance can lead to legal action, reputational damage, and financial penalties.

Is your organization prepared? Non-compliant businesses face penalties, reputation damage, and potential legal action.

Transform compliance into opportunity

At UST, we don't just help you meet requirements, we help you turn accessibility into a competitive advantage. Our comprehensive testing ensures your digital assets comply with WCAG 2.2 AA/AAA, the Equality Act, and all other state regulations.

We are here to help:

REGULATORY EXPERTISE
Navigate accessibility laws with confidence, including the Equality Act 2010 and Public Sector Bodies Accessibility Regulations.

RISK MITIGATION
Avoid legal risks and ensure your digital presence meets the expectations of regulators and users alike.

MARKET EXPANSION
Reach 20% more potential customers with inclusive design.

BRAND ENHANCEMENT
Demonstrate your commitment to the values of inclusion and equality.

Our AI-powered accessibility advantage

Our proprietary **QE360** platform combines advanced GenAI with human expertise to:

- Reduce testing time by up to 60%
- Identify issues, traditional testing misses
- Deliver actionable remediation recommendations
- Ensure continuous compliance as regulations evolve

Complete accessibility services

- Comprehensive accessibility compliance audits
- Real-user testing with assistive technologies
- Remediation support with prioritized recommendations
- Training and enablement for your team
- VPAT and conformance documentation

Get a free accessibility snapshot of your digital assets

Limited time: Claim before August 1 for a free report

What you get within 24 hours:

Professional assessment of one critical digital asset (up to 50 pages).

Detailed report highlighting critical and serious compliance issues.

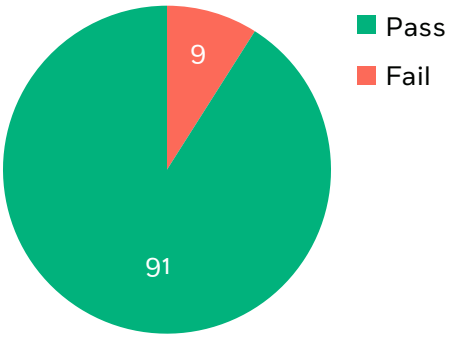

Remediation recommendations aligned with the WCAG requirements.

A 30-minute consultation with our accessibility experts.

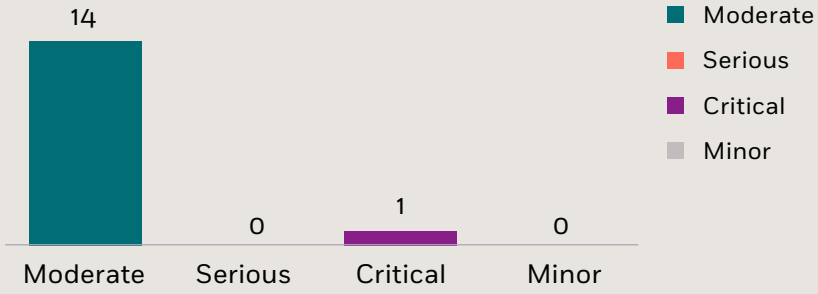

Simply provide access to your selected digital asset, and within 24 hours, you'll receive insights that could save you from costly compliance issues.
